Dear Parent

We are approaching the end of the Unit Test 2 and will enter the final stretch towards the completion of the current academic year 2023-2024 with the scheduled conduct of the Session ending Exams in February-March 2024. Dates will be announced at a later date.

With this circular we hereby seek to inform you about the expected attainment in Arabic, Islamic Studies and UAE Social Studies. Please note:

- In Arabic and Islamic Studies the pass percentage is 50% which means that the student MUST score a minimum of 50% marks to be deemed to have passed in the subject and considered promoted to the next academic year;
- In UAE Social Studies the pass percentage is 40% which means that the student MUST score a minimum of 40% marks to be deemed to have passed in the subject and considered promoted to the next academic year;
- Do note that passing in UAE Social Studies is independent of Indian Social studies which means that the marks scored independently in both will NOT be added to attain the pass percentage.
- In case any student fails to score the minimum pass percentage in any of the above mentioned subjects, he/she will be given a retest in the subject. If the student yet again fails to score the minimum pass percentage then his/her promotion to the next grade will be withheld.

This is for your information.

Regards,

PRINCIPAL
