Date: March 5, 2024

Grade 10 students seeking admission to Grade 11

**** RAMADAN KAREEM ****

Dear Parent

The admission process for Grade 11 has commenced. This is to inform that your ward's score in the Mock exam does not meet the qualifying criteria for admission to Science stream (Minimum 75%) or Commerce stream (Minimum 60%).

Being our home students we do not wish to deny them the right to a fair attempt at admission. Hence we are scheduling an ENTRANCE exam to be conducted on **THURSDAY, 14th March 2024** starting at **10.30AM**.

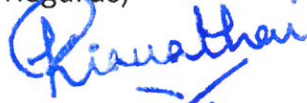

Students who have been offered admission to the Commerce stream (based upon their mock test score) may also attempt the exam if they wish to pursue education in the Science stream.

Students must come in their complete regular school uniform (Monday to Wednesday) and wear the identity card issued by the school.

This is for your information.

Best Wishes !!!

Regards,

PRINCIPAL
