On Friday May 24th, 2024, The Elite English School welcomed enthusiastic volunteers from Al Tamimi & Company who brought an extra spark of excitement to our primary students' day through a highly engaging **Reading Program**. The event, characterized by laughter, curiosity, and a love for reading, left an indelible mark on both the students and the volunteers.

The Al Tamimi & Company volunteers transformed ordinary classrooms into vibrant hubs of storytelling and interactive reading. As they shared their favorite stories, the students were not only captivated by the tales but also deeply inspired by their new mentors.

The joy and enthusiasm were palpable as the young learners eagerly engaged with the volunteers, asking questions, and discussing the stories. *"It was heartwarming to see the children's faces light up with excitement,"* said a volunteer, *"Their enthusiasm for reading and learning was heartwarming."*

This initiative, reintroduced by the collaborative efforts of Al Tamimi & Company management and The Elite English School, aimed to foster a love for reading among students. The school is thankful to Ms. Dilhara Malalasekera, CSR Coordinator - Consultant, Al Tamimi & Company, for this program, which enriches the students' educational journey and also strengthens community bonds.

The positive impact of this initiative was evident as students shared their excitement with their peers and teachers. The interactive sessions helped enhance their reading skills and ignited a passion for books that will undoubtedly benefit their academic journey.

This memorable day at The Elite English School exemplified the power of community involvement in education. By bringing together volunteers and students, the Reading Program not only made learning fun but also created lasting memories for everyone involved. As the school looks forward to more such enriching programs, the collaboration with Al Tamimi & Company stands as a testament to the positive impact of collective efforts in nurturing young minds.
