

# مدرسة ايليت الانجليزية The Elite English School

CIR/EES/JUN/2410-24

Date: 19<sup>th</sup> June 2024

## AWARENESS ON SDG's AND ADOPTING SDG's IN REAL LIFE FOR A 'PLASTIC FREE JUNE'

### AVOID SINGLE USE PLASTICS IN LUNCH BOX

This is in continuation of Circular No. CIR/EES/JUN/2406-24 (AVOID SINGLE USE PLASTICS IN LUNCH BOX) dated 12<sup>th</sup> JUNE 2024.

**Please note:**

As our school agenda is to Reduce and Reuse plastic, we are conducting a few related activities this Friday, 19<sup>th</sup> June 2024. Parents are requested to send the materials as per the given instructions given below.

- Activity 1: Across all grades: Plastic bottle collection (please note only thin plastic bottles are to be sent (water bottles clean and dry) as it will be collected and sent to recycling center to Abu Dhabi.
- Activity 2: Grade 9 and 10 - Corn starch bioplastics: experiment by Grade 9&10 – materials will be informed in diary by the science teacher.
- Activity 3: Grade12 students – litero flight-sustainability-renewable energy— activity using plastic bottles—materials will be informed by the science teachers.
- Activity 4: Bag making using old t-shirts (polo T shirt). (Only after confirmation of material the student will be enrolled and informed.
- **Please note:** These activities are conducted to inculcate sustainable practices among students and parent community. **We request all parents to avoid plastic in food** as our health and safety is the top priority. We will have student happiness ambassadors actively working on checking this inside our classrooms.

### **Some suggestions for sustainability include:**

- Limit Highly Processed Foods.
- Choose Eco-Friendly Packaging.
- Use Eco friendly Water Bottles.
- Avoid Tea Bags and Use Loose Tea Leaves Instead.
- Avoid Food Packed in Plastic Bags: Packed ready-made food (use fruits and healthy snacks)

Regards,  
**Social Studies Department**
