Vivid Visions 2024 Success at New Indian Model School, Dubai

On **September 19, 2024**, students from **Grade 7 and 8** at our school participated in the **Vivid Visions 2024**, held at the **New Indian Model School, Dubai**. The event was a celebration of creativity and innovation, providing young minds with a platform to showcase their talent and imagination.

We are proud to announce that our students—**Isha Sanu (Grade 7A)**, **Prisha Vikas (Grade 7C)**, **Haneena Farsana (Grade 8A)**, and **Evelyn Antony (Grade 8A)**—secured **first place** in the highly competitive **Book Nooks** category. This category challenged participants to design a unique space that brought the world of a story and its characters to life through immersive design and creative resources.

Our team's project-Jurassic Park , stood out for its innovative and thoughtful approach, transforming the literary experience into a tangible and interactive environment. Their ability to blend creativity with deep understanding of the stories and characters impressed the judges, earning them the top spot in this category.

The **Vivid Visions 2024** event was a wonderful opportunity for our students to demonstrate their creativity, teamwork, and passion for literature. We congratulate **Isha, Prisha, Haneena, and Evelyn** on their remarkable achievement and for representing our school with such excellence. Their success is a testament to the dedication and hard work they have put into their project.

We also extend our gratitude to the teachers and mentors who guided them throughout this journey, fostering their skills and helping them reach new heights.
