Circular for Grade 4

Dear Parents,

We are pleased to invite you to a **Meet and Greet Session** being organized especially for the parents of our Grade 4 students. As we embark on this new academic adventure together, this session aims to facilitate ongoing and meaningful communication between home and school. You will get the opportunity to meet the Grade 4 teachers. Most importantly, it makes it possible for you to start creating a strong partnership that will support your child's growth and success. We are convinced that when parents and educators collaborate, it results in a nurturing and productive learning environment. Your involvement and collaboration are critical for us, and we are looking forward to begin this important conversation with you.

Please note the important details:

Day: Tuesday

Date: 13th May 2025

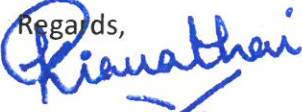

Time: 9.00 AM

Venue: School Auditorium

Please note that it is a normal school for the students, after the session the students will have their long break after which regular classes will commence. Please send refreshments with your ward (as normal). Students should come to school with the books as per time table for periods 6 to 8.

Please note that strollers or babies (below 4 years old) or siblings will not be permitted inside the auditorium in order to facilitate a seamless and disturbance free event. School will arrange a separate room for younger siblings & babies. A nanny will be provided. **Please submit the acknowledgement slip to the class teacher latest by Monday, 12th May 2025.**
