Circular for Grade 12 Students

Dear Parent and Student,

The academic year 2025–2026 is well underway and the assessment cycle begins on Monday, 26th May 2025. The school has already started the CBSE student registration procedure, which entails providing all pertinent student information on the CBSE registration portal. An information slip with the student's details is generated at registration. Both the student and the parents must check the details and sign in the designated spot to confirm that it is correct. We request you to every detail for accuracy. In this regard please note the following:

- If your ward's listed information is accurate, add your signature in the place provided.
- **Please check and confirm that the mentioned details are accurate. Do check the spellings of the names.**
- We kindly ask you not to sign the Information Slip if any of the details listed there are inaccurate. Please mark the incorrect information with a **pencil**, then promptly return the slip with the correction. Your listed modifications will be implemented, and you will be issued a new information slip to sign.
- Please remember to sign **ONLY** with a black ballpoint pen.
- Please send your ward's most recent passport-size photo. The **ONLY** image that will be accepted is the one of your ward wearing the regular (Monday to Wednesday) school uniform and taken against a white backdrop. Make sure the digital date is displayed on the picture.
- **Do be aware that after the registration procedure is complete, no changes can be made.**

This is for your information and necessary action.

Regards,

PRINCIPAL
