CIR/EES/MAR/2622-25

Date: March 28, 2025

Dear Parents,

We hope that all our students and their families are safe and in good health. The safety and well-being of our entire school community continue to remain our highest priority. We sincerely appreciate your patience, understanding, and cooperation during this time.

This circular is being issued to reiterate important information that has already been shared through previous communications. As the situation continues to evolve, the school is required to strictly follow the guidelines and directives issued by the authorities. Hence, we may not always be able to provide confirmed dates and timelines in advance. We request your continued understanding in this regard.

Please note the following:

Re-registration, Books, and Uniforms:

The re-registration link will be shared only with parents who have cleared the fees for the current academic year. Re-registration, along with payment for the Diary and ID card, is mandatory in order to receive further links for uniforms and books.

The store will schedule collection dates only after confirmation is received from the Accounts Department.

Collection Guidelines:

Only parents will be permitted to enter the school premises for collection. Students are strictly not allowed to accompany them.

Communication Protocol:

Parents are requested to carefully go through all circulars and audio messages shared by the school, as most queries are addressed there. For further clarification, you may contact the respective supervisors via WhatsApp voice note and allow reasonable time for a response.

We once again thank you for your continued support and cooperation.

Stay safe and take care.

Warm regards,

PRINCIPAL
