Re-registration and Access Details

Date: March 31, 2026

Dear Parents,

We hope that all our students and their families are safe and doing well.

This is to inform you that the reopening dates have already been communicated through the previous circulars. As we prepare to resume classes, we would like to share important updates regarding access and re-registration.

Students who have successfully completed re-registration will be provided with a new User ID and Password. These credentials will be required to attend online classes from the reopening day.

We sincerely thank all parents who have completed the re-registration process on time. Your cooperation is greatly appreciated.

Parents who have not yet completed re-registration are requested to do so at the earliest in order to receive the login credentials and ensure uninterrupted participation in online classes.

Kindly note that parents completing re-registration in the month of April will be required to make payments for April, May, and June along with the re-registration fee.

We request your continued support in ensuring a smooth and timely start to the academic session.

Thank you for your cooperation.

Stay safe and take care.

Warm regards,

PRINCIPAL
