For Grade 10 students seeking admission in Grade 11

Dear Parents,

With this circular we announce the commencement of the re registration process for admission to Grade 11 (Science and Commerce streams). **The students who wish to pursue senior secondary education in our school can re-register their ward starting from Thursday, 22nd February 2024 by paying the re registration fee.**

All fee dues of academic year 2023-24 (April 2023 to March 2024) should be cleared to pay the re-registration fee.

The eligibility criteria for various streams remains the same as mention in circular no CIR/EES/JAN/2349-24 dated January 15, 2024. Mock Exam performance of your ward will be considered when allocating streams. We reiterate the criteria once again for clarity:

Science Stream	75%
Commerce Stream (With Accountancy & Economics)	65% to 74%
Commerce Stream (Without Accountancy & Economics)	60% to 64%

The school will strictly adhere to the above mentioned cut-off percentages when drafting the admission lists.

As informed earlier the admission to Grade 11 is provisional till the board exam results are declared.

This is for your information.

Regards,

PRINCIPAL
