

# مدرسة ايليت الانجليزية The Elite English School

CIR/EES/FEB/2360-24

Date: Feb 17, 2024

## OWN TRANSPORT IMPORTANT REMINDERS

Dear Parents,

With the impending Annual Examinations, the academic year 2023–2024 is logically coming to a close. The portion sheet and annual exam time table has already been shared with you. One of the main reasons for the year's seamless operation has been your constant cooperation.

As you are aware, our school is situated in a residential neighborhood. We are extremely lucky to have neighbors that are always helpful and encouraging, especially when we are conducting programs outdoors. It is also our duty to ensure that the school's activities and student movement do not cause any inconvenience to them. Our parent community has always been a vital part of our Elite family. When driving toward the school to drop off or away from it to pick up your ward/s, you have always been extremely vigilant about their safety. We extend our thanks for your alertness and understanding.

Going forward this is a routine reminder about some very important points to be noted at all times when you come to drop off or pick up your child from school:

- Being a predominantly residential area, we request that every vehicle user refrains from honking in order to preserve the tranquility of the surroundings;
- When navigating the roads in front of and surrounding the school, please drive very carefully. It is crucial to exercise caution in order to ensure the safety of students crossing the street to go to school;
- As soon as you enter the paved parking area outside the school, please drive extremely gently. The following factors contribute to the bustling activity in the parking lot:
  - ⇒ students being dropped off in the morning;
  - ⇒ RTA users walking through the parking lot to access the school gates;
  - ⇒ students leaving the school gates in the afternoon to head toward their cars; and
  - ⇒ students running or walking toward their cars unmindful of moving vehicles

**DO NOTE THAT THESE INSTRUCTIONS ARE BEING ISSUED AS REQUIRED BY THE DUBAI POLICE (DONE UPON RECEIPT OF COMPLAINTS FROM THE RESIDENTS). ANYONE FLOUTING THESE RULES WILL BE FINED HEAVILY.**

Anticipating your continued support, which bolsters our commitment to our students' safety and security.

Regards,

*Kianatha*
