

مدرسة ايليت الانجليزية The Elite English School

CIR/EES/SEPT/2426-24
For Own Transport Students

Date: Sept 17, 2024

Dear Parents,

The mid-term examination for the academic year 2024-2025 has begun. We are confident that the students will put in honest efforts and succeed admirably. Our best wishes to all of our students.

As you are aware, our school is located in a quiet residential neighborhood. The people are quite accommodating and watch out for our students. We have had numerous instances where they have drawn our attention to specific areas of concern. It is our reciprocal responsibility to take serious note of their legitimate concerns.

It has come to our attention that own transport users, particularly RTA users, do not leave the area quickly at the end of the school day. They have been seen lingering around the neighborhood in groups- talking and laughing loudly. This disrupts the tranquility of the area. This has occurred numerous times. Residents have raised our attention to this. This is a big source of concern, not just for the residents' well-being, but also for student behavior in terms of social skills and discipline. As a result, the values and discipline of our school are being questioned which is unacceptable.

The students have been given regular verbal instructions regarding this. We request that you advise your ward from lingering near the school area. The school takes this activity extremely seriously and will take prompt action if it occurs again.

This is for your information and necessary action.

Regards,

Principal
