**\*\* RAMADAN KAREEM \*\***

Dear Parents,

The **Holy Month of Ramadan** will begin from **1<sup>st</sup> March 2025** (please refer to media for confirmation). This is the month which teaches us the importance of leading a virtuous life. It also teaches us to look after others and not to be self-centered. The importance of disciplining ourselves mentally as well as physically is highlighted during this Holy month.

Today's generation also needs to learn the importance of sharing. Now is the time to inculcate the noble qualities of discipline, hard work and charity in our children. The fast pace of life and the race for materialistic possessions leaves us with precious little time to devote towards the imbibing of these desirable qualities. These qualities are the fulcrum around which human life revolves. Our children need to learn about them as well as imbibe them. The Holy Month of Ramadan is the apt time to introduce our young ones to these noble virtues and the school is the right place for it.

We seek your support in this noble endeavor. Please counsel your child as and when required about the importance of leading a disciplined life and putting in sincere hard work in their studies. The virtue of charity can be taught to them by example. Let us take this opportunity and put in our best for the betterment of our children.
