## PARENT ORIENTATION

Dear Parent

Welcome to the academic year 2025 - 2026. As we commence the academic year, we cordially invite you to an Online Parent Orientation. This virtual event has been created to provide you with essential details about the upcoming year, ensuring that you are well prepared to support your child's learning journey. During the orientation, we will cover the most important rules, schedules, and exams that make up an academic year.

The online format allows all parents, regardless of location, to participate and also ensures that you have access to this essential data at the start of the academic year. Your participation is essential for building an effective partnership with the school. Therefore we encourage you to attend the Orientation. Please note the schedule for the online orientation:

Tuesday	15 <sup>th</sup> April	VII, II	2.30PM - 3.30PM

- In case you choose to use the mic, please ensure NOT to speak over any other speaker to avoid confusion and chaos;

We look forward to meeting you virtually in the best interest of our students.
