Dear Parents,

Greetings from the school.

It has come to our attention that some students have been engaging in unacceptable behaviour outside the school premises while wearing the school uniform.

We wish to emphasize that the school uniform represents the values, discipline, and integrity of the institution. Any misconduct while in uniform, whether inside or outside the school campus, will be considered a serious violation of school rules. Additionally, the use of the school's name, logo, or identity on social media in a manner that may harm the reputation of the institution is strictly prohibited.

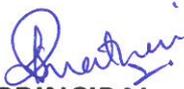

Please be informed that:

- Students are expected to maintain proper conduct and discipline whenever they are in school uniform, irrespective of location.
- Posting, sharing, or promoting any content depicting misconduct or behaviour that reflects negatively on the school, while in uniform or associated with the school's name or logo is an offence.
- Any action that brings disrepute to the school will invite strict disciplinary measures as per UAE cyber laws and regulations.

We request parents to counsel their children regarding responsible behaviour, both offline and online, and to ensure that they uphold the values and reputation of the school at all times.

The cooperation of parents in reinforcing discipline and responsible digital conduct among students is highly appreciated.

Warm regards,

PRINCIPAL
