

**The Poetic Heart** is a beautiful platform where students from various schools come together along with esteemed poets and musicians to express emotions, values, and hope through poetry and the arts. Over the years, this event has touched many hearts and encouraged countless students to grow in confidence and creativity. One of our students **Seira Ann Jimmy** from Grade.11 had been **selected to recite a poem ‘Hope Shall Not Die’ at The Poetic Heart 2026** on **Thursday, 5th February 2026**, a special and inspiring event that has been celebrating creativity, expression, and young voices for the past **14 years**. Congratulations to Seira!!!
