Subject: For Online Class Link Access Code

Dear Parents,

Warm greetings!

As we navigate the current situation with resilience and a shared commitment to our students' learning, we are pleased to welcome you and your child to the new academic year. We hope you had a restful break and are ready to begin a new journey of growth and learning.

We would like to inform you that we begin the academic year with online classes, which will be conducted through the ELG platform. Students will be using their existing user name and password to login on ELG. Only students who have done the re-registration can access the ELG.

The timetable, class division, and access to online class links will be available on the platform. You are encouraged to log in before the reopening day to familiarize yourself with the system and ensure a smooth start.

The school will reopen on Monday, 6th April.

We look forward to your continued support and cooperation as we begin this new academic journey together.

Wishing all our students a successful and enriching year ahead.

Warm regards,

PRINCIPAL
