Dear Parents,

We hope you and your families are doing well.

Over the past few days, you may have noticed some delays in receiving communication from the school due to technical challenges with our systems. We understand how important timely updates are, and we truly value staying connected with you.

We are glad to share that these issues have now been resolved, and steps have been taken to strengthen our systems to ensure smoother and more consistent communication going forward.

Please be assured that learning continues seamlessly, and our focus remains firmly on supporting our students while keeping you informed every step of the way.

Thank you, as always, for your continued trust, understanding, and partnership

Warm regards,

PRINCIPAL
