Date: April 20, 2026

Dear Parents,

Greetings from the School.

As part of our continued preparations for the smooth resumption of on-site learning, teachers will be engaged in essential academic planning and coordination on campus.

Accordingly, kindly note that on Tuesday, April 21, 2026, students will participate in asynchronous learning.

During this time:

Learning tasks and instructions will be shared through the school's designated platform, ELG. Students are expected to complete the assigned work independently within the stipulated timelines.

We request parents to kindly support their children in organizing their schedules and ensuring timely completion of tasks.

Further updates regarding the resumption of regular on-site learning will be communicated in due course, based on guidance from the relevant authorities.

We appreciate your continued cooperation and support.

For any queries, please feel free to contact the Grade Supervisors.

Warm regards,

PRINCIPAL
