Date: 21st April 2026

Dear Students,

Warm greetings to all of you.

We are pleased to inform you that the school will reopen for all students on 27th April. We look forward to welcoming you back on campus and resuming regular learning and school activities.

Further circulars detailing the school protocols and transport arrangements will be shared with you shortly for your reference. You are requested to go through them carefully which will be available on ELG, WhatsApp Community Group and school website (**Document titled Reopening Protocols for Parents & Students**).

All students are expected to strictly abide by the protocols that will be communicated, as they are essential for ensuring safety, discipline, and smooth functioning within the school.

In situations where students are unable to attend school in person, online learning option will be made available.

Parents are required to send a detailed email addressed to the Principal, explaining the reason their child is unable to attend onsite classes. This communication ensures that the school is informed and can appropriately provide support and resources for the student.

We would also like to take this opportunity to thank all students for their patience, understanding, and cooperation during this period. Your resilience and adaptability in continuing your learning in challenging circumstances have been truly appreciated. We also extend our gratitude to you and your families for the support extended to the school and staff during this time. As we return to normalcy, we look forward to your continued cooperation in maintaining a positive and focused learning environment.

Warm regards,

PRINCIPAL
