Circular for Continuing Students

Dear Parents,

Greetings!

We are pleased to inform you that the school will be reopening on 27th April. We look forward to welcoming our students back to campus for onsite learning.

For parents who are unable to send their children for onsite classes, we are continuing to offer the online learning option to ensure uninterrupted education.

Please note the following important updates:

Transport Facility: School transport services will be available **starting 1st May**. Payment for transport will start from May 2026.

Books and Uniforms : For our **continuing/existing students** who purchased books and uniforms for the upcoming term, these items will be available for collection on **Friday, April 24th, and Saturday, April 25th**. The collection can be made **between 8:30 AM and 3:30 PM on both days**. Please note that there may be some delays during this period, so we ask for your patience and understanding. Additionally, for parents of kindergarten students, we kindly request that you bring small snacks for your children to ensure their comfort while waiting.

Payment Mode: Cash payment is encouraged, as it enables same-day dispatch. **Kindly note that online payments may take time to reflect in the system (2-3 working days), which could delay processing.**

We appreciate your cooperation and continued support.

Warm regards,

PRINCIPAL
