Dear Parent,

As part of our continuous efforts to strengthen academic learning and ensure effective classroom engagement, we request the cooperation of all parents in discouraging unnecessary leave requests during the academic term.

Over the past couple of months, valuable learning time has already been impacted due to periods of online learning. In order to help students regain consistency, continuity, and academic discipline, regular attendance at school is extremely important.

Parents are also informed that the Summer Vacation period will include academic activities aimed at compensating for the learning time lost. Study materials, assignments, and homework will be made available through ELG during the vacation, and students are expected to complete them as instructed.

We seek your wholehearted support in ensuring regular attendance and uninterrupted learning for all students.

Regards,

Dr. Kiran Mathai
